

In the end, I would be better served as I would have the ability to receive many more primary care services from my ND which I would very much appreciate as it saves me time, money, hassle and it is more efficient.

Once again, I ask you to support providing prescriptive authority to naturopathic physicians (NDs). Thank you.

Sincerely,

Jill Badyrka

Human beings are not born once and for all on the day their mothers give birth to them . . . life obliges them over and over again to give birth to themselves.

— Gabriel García Márquez

Better to light a candle than to curse the darkness.
